

MEMORANDUM OF UNDERSTANDING

Between

Grand Asian University, Sialkot

And

**Pakistan Council of Research in Water
Resources, Sialkot**

THIS MEMORANDUM OF UNDERSTANDING (hereinafter referred to as "MOU") is made and entered into on the **9th day of June 2026**.

BETWEEN

Grand Asian University Sialkot (GAUS) is a chartered university by the Government of Punjab located at a very strategic location in the golden triangle. The golden triangle (Gujranwala, Sialkot, and Gujrat) consists of three industrial cities in Pakistan that contribute 15% of export and are a hub of innovation and creativity. The university aims to impart quality education, uplift the life of quality of people in the surroundings, and contribute to the growth of the local industry. GAUS has a permanent address as GAUS 07 KM, Pasrur Road, Sialkot, Punjab (**hereinafter referred to as "GAUS"**) of the one part;

AND

Pakistan Council of Research in Water Resources (PCRWR), an autonomous research organization operating under the Ministry of Water Resources, Government of Pakistan, having its Head Office at Islamabad and sub office Sialkot located inside the Hockey Ground on Pasrur Road hereinafter referred to as "**PCRWR**".

GAUS and **PCRWR** shall be collectively referred to as "**the Parties**" and individually as "**the Party**". The parties agree that the main objective of this MOU is as follows: -

- The Parties shall undertake joint research in water resources, water quality, climate change, and environmental sustainability, including collaborative proposals, publications, and technical reports.
- PCRWR shall provide technical support for water quality testing, monitoring, and studies related to water conservation and sustainable water use.
- The Parties shall facilitate internships, research placements, field exposure, and other learning opportunities for students.
- The Parties shall organize workshops, training programs, seminars, conferences, and professional development activities in areas of mutual interest.
- The Parties shall conduct awareness campaigns and community engagement initiatives to promote water conservation and environmental stewardship.
- The Parties shall support water-efficient practices, rainwater harvesting, groundwater recharge awareness, and other sustainability initiatives.
- Cooperation may extend to water quality assessment, water conservation, groundwater studies, climate adaptation, environmental monitoring, SDGs, disaster risk reduction, innovation, research commercialization, and policy support.
- GAUS shall facilitate academic collaboration, encourage faculty and student participation, support joint activities, and maintain records of initiatives undertaken under this MoU.
- PCRWR shall provide technical expertise, training opportunities, research support, knowledge-sharing, and field exposure opportunities in accordance with its policies.

- PCRWR shall provide technical expertise, training opportunities, research support, knowledge-sharing, and field exposure opportunities in accordance with its policies.
- The Parties may jointly organize seminars, workshops, conferences, awareness campaigns, student competitions, sustainability forums, and commemorative events related to water and the environment.
- The Parties acknowledge that this collaboration shall contribute to the achievement of SDGs 4, 6, 11, 12, 13, and 17.
- The Parties further recognize that this collaboration may support institutional sustainability performance, including relevant indicators of the UI GreenMetric World University Rankings.

IN WITNESS WHEREOF the parties hereto have caused this MOU to be signed in their respective names on the day and year first above written and will be in force until canceled after prior notice of one month in writing by either organization.
