

Business Proposal Between
The Socrates Tech Private Limited
and
Grand Asian University

This business proposal outlines the terms and conditions of a collaboration between **The Socrates Tech Private Limited** (referred to as "The First Party") and **Grand Asian University** (referred to as "The Second Party") for providing specialized IT training and certification in four selected trades. This collaboration aims to equip students with internationally recognized certifications in the field of Information Technology.

- **The Socrates Tech Private Limited** is an established leader in the field of IT training, specializing in delivering professional courses and international certifications. The First Party has been awarded accreditation by the **National Vocational and Technical Training Commission (NAVTTTC)**, granting approval to deliver four specialized IT training courses.
- **Grand Asian University** is a reputable academic institution with a robust track record in offering quality education and practical training to students. The Second Party will provide the infrastructure and instructional services to deliver the training to students in collaboration with The Socrates Tech.

Purpose of Collaboration

The purpose of this collaboration is to:

- Provide quality IT training to students in four specialized IT courses.
- Enable students to receive internationally recognized certifications upon successful completion of the courses.
- Develop the skills of students in high-demand IT fields, thus enhancing their career opportunities.

4. Scope of Courses

The following IT courses will be offered under this collaboration:

1. **Full Stack Development**
2. **Advanced Web Application Development**
3. **Full Stack JavaScript**
4. **Cyber Security**

These courses have been approved by NAVTTTC and will be conducted for a duration of three months, with practical and theoretical sessions included to ensure a comprehensive learning experience.

Certification:

All international certifications shall be managed and paid for by the Company. If the University conducts exams, fees for failed candidates will be borne by the University.

Responsibilities of The Socrates Tech:

- The First Party will provide training material, curriculum, and certification aligned with international standards.
- The First Party will offer professional guidance and support to instructors at Grand Asian University to ensure that training is in line with the certification requirements.
- The Socrates Tech will compensate Grand Asian University 15,000 PKR for each student enrolled for the training for the 3-month duration.
- The Socrates Tech will assist in promoting and marketing the courses in partnership with Grand Asian University.

Responsibilities of Grand Asian University:

- The Second Party will provide the required facilities, instructors, and resources to conduct the training.
- Grand Asian University will ensure that instructors are qualified and experienced in the relevant fields.
- The Second Party will be responsible for student enrollment, attendance tracking, and overall management of the training program.
- Grand Asian University will provide regular progress reports to The Socrates Tech on student performance.

Payment Terms

The Socrates Tech will pay Grand Asian University a sum of 15,000 PKR for each student enrolled in the training program. Payments will be made in Two Phases in 3-month training session, based on the number of students available at the time of monitoring and Successful appearance in final exam.

(If the Second Party takes the responsibility of hiring Instructors. The First Party will pay 18000 PKR to the second party for three months training against each student)

Duration of Agreement

This collaboration will begin on the date of signing this agreement and will remain in effect for an initial period of one year, after which it will be subject to review and renewal upon mutual agreement.

Certification and Accreditation

Upon successful completion of the training courses, students will receive certification recognized both nationally and internationally, in line with the standards set by NAVTTC and The Socrates Tech.

Termination Clause

Either party may terminate this agreement with a 60-day notice if there is a breach of the terms outlined in this proposal. Any pending payments will be settled at the time of termination.

11. Confidentiality

Both parties agree to keep all proprietary information shared in connection with this collaboration confidential and not to disclose it to any third party without prior written consent from the other party.

This collaboration is designed to create an enriching educational opportunity for students, providing them with the knowledge and certifications needed for a successful career in IT. The Socrates Tech and Grand Asian University both share a commitment to the advancement of professional skills and development in the IT industry.

We look forward to a fruitful partnership that will benefit the students and contribute to the growth of the IT sector.
